Local Food Market Receives TCDC Loan

L to R: Robert Blair, TCDC President/CEO; James and Deborah Button, Owners; and Lillian Smith, TCDC Economic Development Coordinator.

The Button Whole Market closed on a \$15,000 *Tioga County Revolving Loan Fund (TCRLF)* with the *Tioga County Development Corporation* on February 25, 2009. The \$15,000 loan will be used to help make building improvements. The Button Whole Market is located in Tioga, Pennsylvania. "The *Tioga County Revolving Loan Fund* is a terrific program helping local area businesses with financial assistance. It is a great benefit to have in the county," stated Jim Button.

Purchased in 2007 by Jim and Debbie Button, The Button Whole Market (previously Preston's) has served the people in the Borough of Tioga and surrounding areas for over 100 years. Along with financing from *TCRLF*, The Button Whole Market will receive a grant from The Fresh Food Initiative Finance Program managed through The Reinvestment Fund, a program designed to increase the number of supermarkets in underserved communities throughout Pennsylvania.

For more information and application on the *Tioga County Revolving Loan Fund* Program and other financial assistance, contact Lillian Smith, *TCDC* Economic Development Coordinator, at (570) 723-8232 or eMail to tcdc3@ptd.net.

16th Annual Membership Drive

Jim Baker, Project Manager, Larson Design Group and TCDC Director kicked off the Membership Drive at the Legislative Breakfast

The *Tioga County Development Corporation's 16th Annual Membership Campaign* is underway! Our goal this year is 275 Members generating \$80,000 in contributions. The funding received from Memberships is the local share match we need to secure state and federal funding in order to accomplish our mission of assisting businesses and industries in Tioga County. Our Members are one of our most important assets. These are extreme economic times with cutbacks being experienced by everyone, even *TCDC*. Even with these financial restrictions, we will continue to provide services in our effort to foster and promote economic development in Tioga County.

Our flexible Membership Fee Structure allows you to make the ultimate decision of the level of support you chose to contribute. We are calling on our existing Members to at least maintain your current level of Membership in 2009-2010, but hope you will consider increasing your commitment in the *Tioga County Development Corporation*. Your *TCDC* Membership is based on the value you place on our services, our Corporation and *Your Investment in Tioga County*. As we look to the future pursuing new opportunities for economic development in our region, we need your support even more.

During an economic downturn is the very time we all must step forward and continue to expand and support your county economic development service provider, TCDC. These funds allow us to continue to assist our businesses and industries which will retain, as well as create jobs, and generate wealth in our local economy. You have supported these very efforts in the past and we hope you continue to do so again this year.

If you are looking to renew your Membership or become a new Member, contact Carolyn Conte, Administrative Assistant at 723-8232 or tcdc2@ptd.net.

See page 6 for the Membership Application.

Tax Credit Contribution Deadline Draws Near

June 30, 2008 is an important day for businesses and students in Tioga County! As you face your Pennsylvania state tax obligations in the upcoming year, the *Tioga County Foundation* is pleased to offer your business the opportunity to have your state tax payments benefit the public school districts here in our county. As an approved Educational Improvement Organization for the Pennsylvania Educational Improvement Tax Credit (EITC) Program, the *Tioga County Foundation* provides your business with an opportunity that offers business tax credits, through the PA Department of Community and Economic Development, for Pennsylvania state taxes that you are already paying. In return, the tax payment equivalent is donated to the *Tioga County Foundation* to support educational initiatives within our local public school districts, Northern Tioga School District, Southern Tioga School District, and Wellsboro Area School District.

The *Tioga County Foundation* will annually allocate a portion of the EITC funds, equipment, and/or resources, received from area businesses, for assistance with School-to-Work and Career Development programs in our public school districts.

Your donation will be directly assisting with the continued support of existing career development programs as well as the development of new innovative programs.

Spring is the time of the year we contact you for our annual Membership Drive. This year marks our sixteenth membership drive and **we thank all our members** for your continued support. Our members are our greatest asset. Membership dollars are used to match state and federal funding programs, necessary to assist local business and industry and train our future leaders, which is our mission.

Its during these times of economic downturn that we rely on local support more than ever to continue the programs and services to businesses. We anticipate further cuts in state funding of economic development programs, but in times of economic struggles, cutting economic development programs makes little sense. We ALL need to step up and invest in Tioga County. Our Board and Staff have pledged 100% while several others have already increased their commitment. If you cannot increase your support, which we know is difficult, please consider maintaining your current level of support of *TCDC*. If your neighbor is not a member, invite them to join you in membership to support of the future of Tioga County.

We face many challenges, but we continue to assist our businesses as they continue to be competitive in the global economy. All our efforts must begin here . . . locally. Your support is vital to *TCDC* and the services we offer. **You** can make a difference in improving the economy of our County. Thank you for your support of *TCDC*. Your Membership is indicative of your dedication to the *Tioga County Development Corporation* and your alignment with our mission of fostering and promoting our economy, as we continue to make *Tioga County . . . a place to call home.*
